

VAEA Electronic Gallery Entry Form 2010

The Electronic Gallery is our way of exhibiting VAEA educator artwork at our conferences. This is a juried competition and is displayed electronically as a slideshow at the conference so there is no need to carry your original artwork with you to the conference.

You can enter up to three works of art that have not been represented in any previous VAEA Electronic Gallery. All media are acceptable, except video because of time constraints.

You may want to read the **Suggestions for Taking and Adjusting Quality Digital Photos of Artwork** file first because we will not crop or adjust your photos for you. Enter the three works of art as .jpg files with 2000 pixels as the largest dimension (width or height). Name each file with your name and the number that corresponds to the Entry Form, for example: jogreen1.jpg, jogreen2.jpg, jogreen3.jpg.

Fill out the form below and mail it along with the CD of your images, your check made out to VAEA, and **the Release Form** to Anne Pfeiffer, 4616 Rosecrest Rd., Roanoke, VA 24018.

Early Deadline: September 1 Entry fee: \$3 per piece

Late Deadline: October 1 Entry fee: \$5 per piece
